QR CODE DOWNLOAD TO VIEW VIDEOS

4 EASY STEPS TO DOWNLOAD A QR CODE TO VIEW VIDEOS ON YOUR MOBILE PHONE OF AUCTION ANIMALS

1. Open your mobile app store (App Store, Google Play, Windows Marketplace, etc.)
2. Search for QR code readers eg. "Barcode", "I-nigma", "Quick Scan"
3. Simply download the QR code reader to your phone, open it and you are ready to go.

Note: You will need to open your downloaded QR code reader each time you want to decode a QR code. Otherwise, you will end up just taking a picture of the QR code.

NYUMBU VIDEOS OF 23 LOTS ON AUCTION:

Scan the QR code to access the videos for animals on auction. You can select which videos you wish to view.

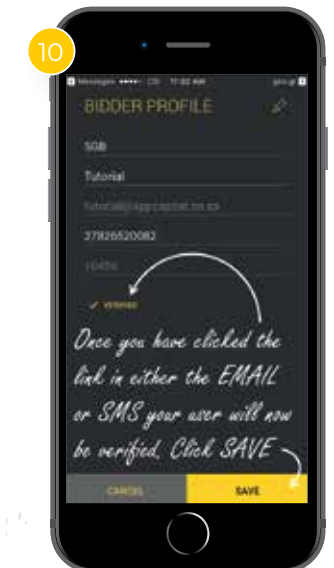

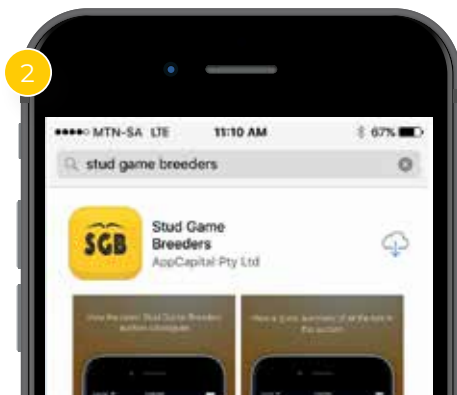

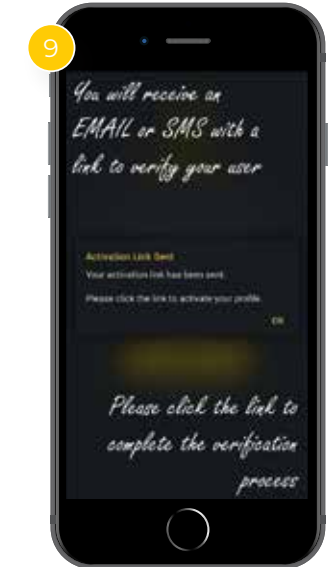

1 Open the **App Store** app on your device.

1 Open the **Play Store** app on your device.

* On slow network connections the app might fail after a while. Check that you are connected to a WIFI network or that your 3G connection is active. Then try again.

Pregnant: To be confirmed
In calf to: Horizon 55 5/8"

Other info:

Carina - a young 35 1/8" exceptional 3-in-1 EA cow. Daughter of 46"+ Limpopo and 37" dam, with an outstanding 51 1/8"+ Nkosana (son of Tyson 53") bull calf at foot and in calf to 55 5/8" Horizon. Proud feminine young cow, with a big body and large capacity. This pure EA cow, combined with two buffalo bulls which are among the best in the industry - 51 1/8"+ Nkosana (SCI 140+) and 55 5/8" Horizon, will deliver out-performance offspring. Her dam has produced 9 top consecutive heifer calves. Still growing with many more calves to come. This is a rare opportunity to acquire sought-after, explosive, stacked genetics in one lot. Will be loaded when certified in calf.

**Themba - 39 $\frac{7}{8}$ " Spectacular 3-in-1 cow, daughter of 49" Matetsi.
